

Poster Presentation at IARC10

We would like to invite you to make a **poster presentation** at the 10th International Automobile Recycling Congress which will take place from 3 – 5 March 2010 in Basel, Switzerland.

This would give you the unique opportunity to promote your company, services and products among the experts of the recycling industry.

The poster presentation will be set up in the exhibition area and will be seen by all the conference participants. You may also insert your company logo linking to your website and a short presentation (1 page A4) in the conference proceedings.

Do not miss this great opportunity and book your poster wall today! To be inserted in the proceedings we will need your logo and presentation by **January 15, 2010 latest**.

Poster wall rental (poster layout & printing on your own)

- poster wall “**portrait**”
W: 121 cm x H: 200 cm (for poster size A0) **EUR 250.--**

Please note that orders received after February 19, 2010 will be subject to a 20% surcharge.
