

Poster Presentation at IERC10

We would like to invite you to make a **poster presentation** at the 9th International Electronics Recycling Congress which will take place from 20 – 22 January 2010 in Salzburg, Austria.

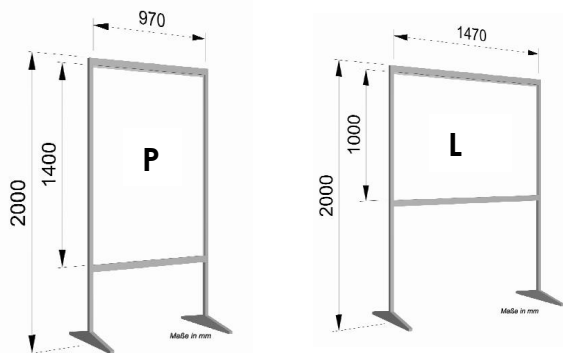

This would give you the unique opportunity to promote your company, services and products among the experts of the recycling industry.

The poster presentation will be set up in the exhibition area and will be seen by all the conference participants. You may also insert your company logo linking to your website and a short presentation (1 page A4) in the conference proceedings.

Do not miss this great opportunity and book your poster wall today!
